

At the meeting the Rotary Club had members of the Warner and Picture Butte Curling Clubs as guests, and also Max Hamilton, the new editor of the Recorder. Lunch was prepared by the Ladies' Auxiliary of the Canadian Legion, who can be complimented on serving an excellent meal.

Max and Roxie

Representin the Townspeople, we wish to welcome Mr. and Mrs. Max Hamilton to Raymond. In operating the weekly newspaper, "The Raymond Recorder," they are, indeed, welcome. The newspaper has been sorely missed, and we offer the new owners our wholehearted support.

MAYOR, COUNCIL AND SEC.-TREAS.

A MESSAGE FOR YOU

Hello, my name is Max Hamilton. I'm the new printer at the Raymond Recorder. As well as this being our first issue of the new Raymond Recorder it is our first opportunity to greet most of you. In taking over the Recorder our first objective is, of course, personal happiness followed closely by the desire to serve the people of this district with a good weekly paper and high quality commercial printing.

Although this paper is the first one that I have edited, printed and published I am not without experience. My first days as a printer were spent at the Cardston News and many of you know of the high quality of that paper. My next teacher was a man we'll know to the people of Raymond—Dave Peterson. The few months I worked for Dave were most pleasant as well as beneficial. Dave's ability is the goal I'm seeking.

Six months in a D.V.A. school in Red Deer and two and a half years at John D. McArthur's in Calgary gave

me my journeyman's card with the International Typographical Union of which I am still a member.

The future looks bright and we have every intention of making Raymond our home and the Raymond Recorder our life's work. The paper is now very small, only four pages, but with the co-operation of the various clubs and organizations we hope, someday, to be able to get enough news for eight pages. The support of the advertisers is, of course, essential. At the present time our paid-up subscription list is very short. Roxie and I have just finished going through this list adding three months to every expiry date to compensate for the three months we have had the paper. We are sending this issue to every name on our mailing list as well as many we have been able to add. This is being done with the hope that the paid-up subscription list will regain the strength it once had. The price is now \$2.50 in Canada and \$3.00 for all others. Your early attention to this matter will be greatly appreciated.

Photos by Fromm

I would like to take this opportunity to thank all the people who have been so kind and helpful to us since our arrival and extend a welcome to any and all to come in, look around the shop and get acquainted. I would also like to introduce the other half of the family, who besides being my wife is stenographer, secretary, inter-leaver, numberer and et cetera. She is the former Roxie Quist of the parents farm in the Shaughnessy area. Roxie—

Everyone. Max is the father of this Hamilton family but I would like to say that I am looking forward to making our home in Raymond and helping you and Max make the new Raymond Recorder a success. It was with some misgivings that I left Calgary although I had been told that the people of Raymond are the friendliest and kindest to be found. In the few days that I have been here I have met some of these people and I'm looking forward to meeting many more. The Welcome Mat is always out.

SUCCESS

What is your definition of success? Lots of money, a big house on the hill? A new car every year, servants and travel South every winter? Forget it; that is for the few. A gracious little lady sent the following:

Success—He has achieved success who has lived well, laughed often and loved much; who has gained the respect of intelligent men, the trust of pure women and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has looked for the best in others and given them the best he had, whose life was an inspiration; whose memory is a benediction. How rich he left the world—for the journey to a "higher plane."

CONSTRUCTIVENESS is the secret of success. This is a trait that may be applied to building a business as well as building a building. Some lawyers are very clever in construct-

ing their cases; many accountants are clever at constructing systems and many artists are constructors of paintings, statuary, etc.; composers can construct musical harmonies, machinists construct a host of things and so on down the line.

HOW TO TELL if that new man you hire will be successful? Simple. By the way he makes and combines the difficult or unusual elements of writing. Sometimes the dot of an "i" serves as dot, "t-cross" and the first stroke of the following word. Sometimes a man will write the middle initial of his name first and then the surname without lifting the pen, combining and constructing the autograph in a most unusual and clever manner.

Intelligence of course is to be expected, and if there is both intuition and logic in the mind values, the amount of inventiveness and constructiveness will be increased. That man will be as new as the next minute. Not all sail and no anchor.

DO YOU AGREE? Early in the morning, we are told, someone smiled, and all through the day this smile encouraged young and old. Was it you?

Missionaries Speak at The Friday Nite Club Second Ward Fireside

The Second Ward M Men and Gleaner Girls held a most enjoyable Fireside Sunday evening at the home of Mrs. Gen Hawkins. Guest speakers were Elders David Wing of Raymond, Bob and Dick Low, twins of Cardston, who have all recently returned home after spending two years in New Zealand as missionaries.

The twins brought a blank record and as Mrs. Hawkins has a recording machine a fine record was made to send back to the Saints in New Zealand. The group sang "Come, Come Ye Saints". The three missionaries then sang and gave greetings in the Maori language with the humming of the hymn as background music.

Miss Mona Palmer, representing the Queen of the Second Ward spoke and Elder Jack Stevens gave a short address.

A light lunch was served.

Prejudice is a great timesaver. It enables one to form an opinion without bothering to get the facts.

The annual party for the "Friday Nite" Club was held at the home of Mrs. Marguerite Anderson with Mrs. Fanny Litchfield, Mrs. Minnie Litchfield and Mrs. Anderson in charge. Those helping to furnish were Miss Edith Woolley, Mrs. Julie Tollestrup, Mrs. Manilla Meldrum, Mrs. Geneva Larsen, Mrs. Nita Mendenhall. Party games were played, first prize going to Mrs. Julie Tollestrup and consolation to Mrs. Annie Fawns. A tasty lunch was served.
